Planning staff will be making a presentation on the draft UDO-274, which amends the Airport Overlay (AO) District standards, at the August 15, 2017 Community Development/Housing/General Government Committee meeting. The amended Airport Overlay District was developed over the past year by planning staff with input and participation from the staff of Smith Reynolds airport. The City-County Planning Board held a public hearing on the draft ordinance on March 9, 2017 and recommended the text amendment to the City Council by a unanimous vote. Staff will be prepared to answer questions about the proposed text amendment after the presentation.
