**Summary of Information:**

Rutherford Court is a new residential area located off Yadkinville Road. Rutherford Homeowners Association (HOA), Inc. desires to have mini bell decorative lights on fiberglass poles. This street lighting system, available through Duke Energy to the City, is costlier than the standard street lighting. The neighborhood is eligible for City's participation in the cost of the street lighting. However, the City's participation is limited to the cost of a standard non-decorative street lighting system. Rutherford HOA, Inc. has agreed to pay the up-front decorative additional charges for seven mini bell decorative lights as required by the Street Lighting Policy.

There will be a recurring annual electrical and administrative charge to the Rutherford HOA, Inc. Rutherford HOA, Inc. will be responsible for paying the amount which exceeds the cost to provide standard street lighting. These charges will be paid annually for the entire length of the ten-year contract period with the first billing cycle to begin one year after the contract agreement.
