

Successful Outcomes After Release
A six month offender re-entry initiative

2020 Report

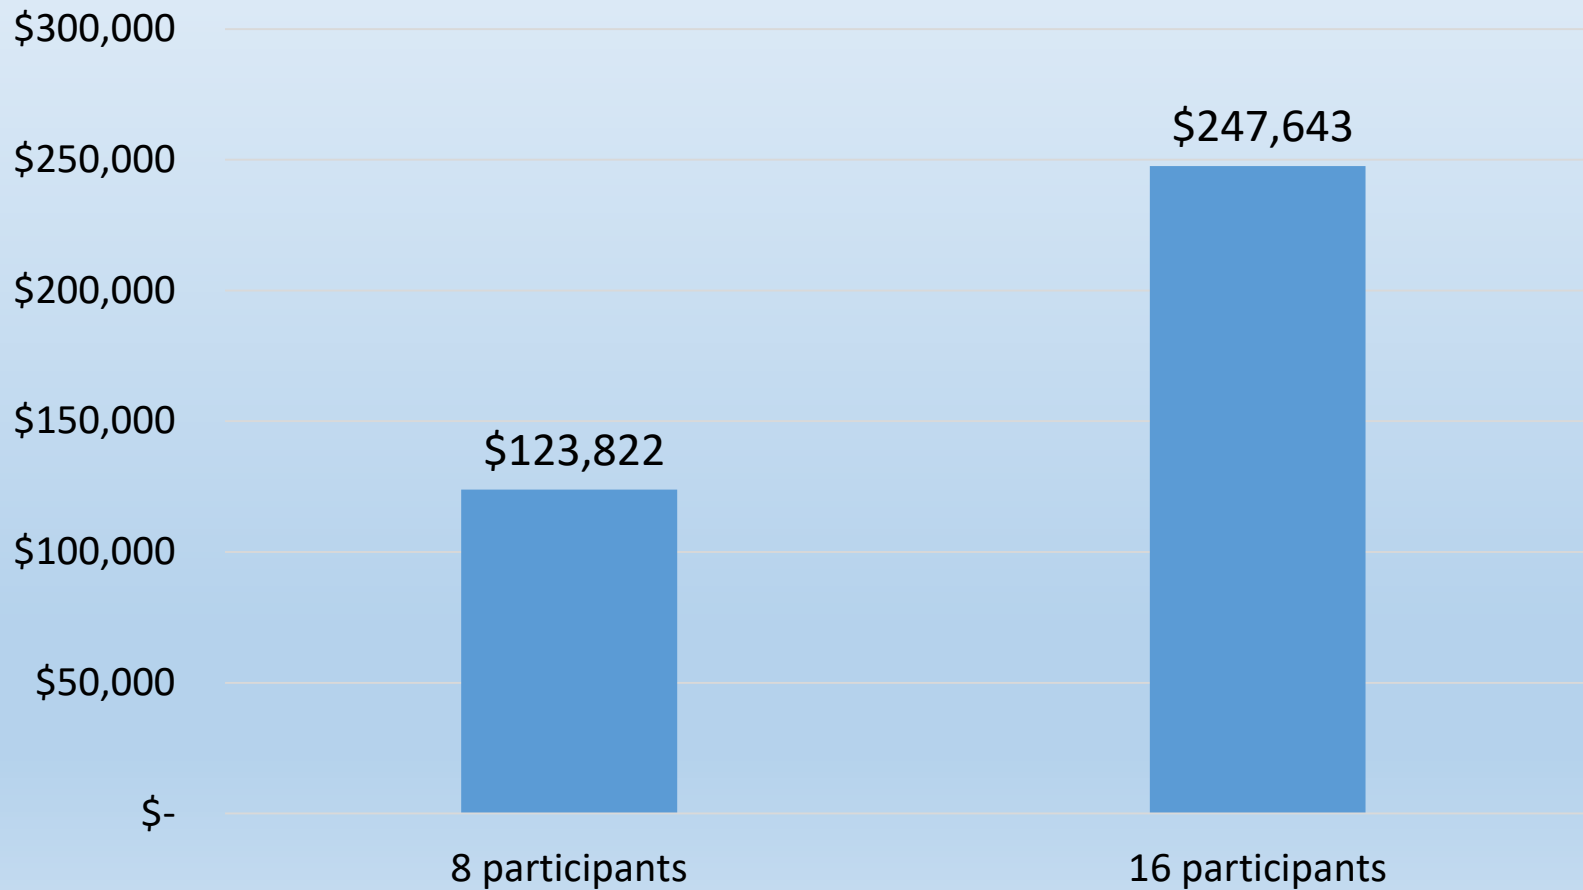

SOAR Funding

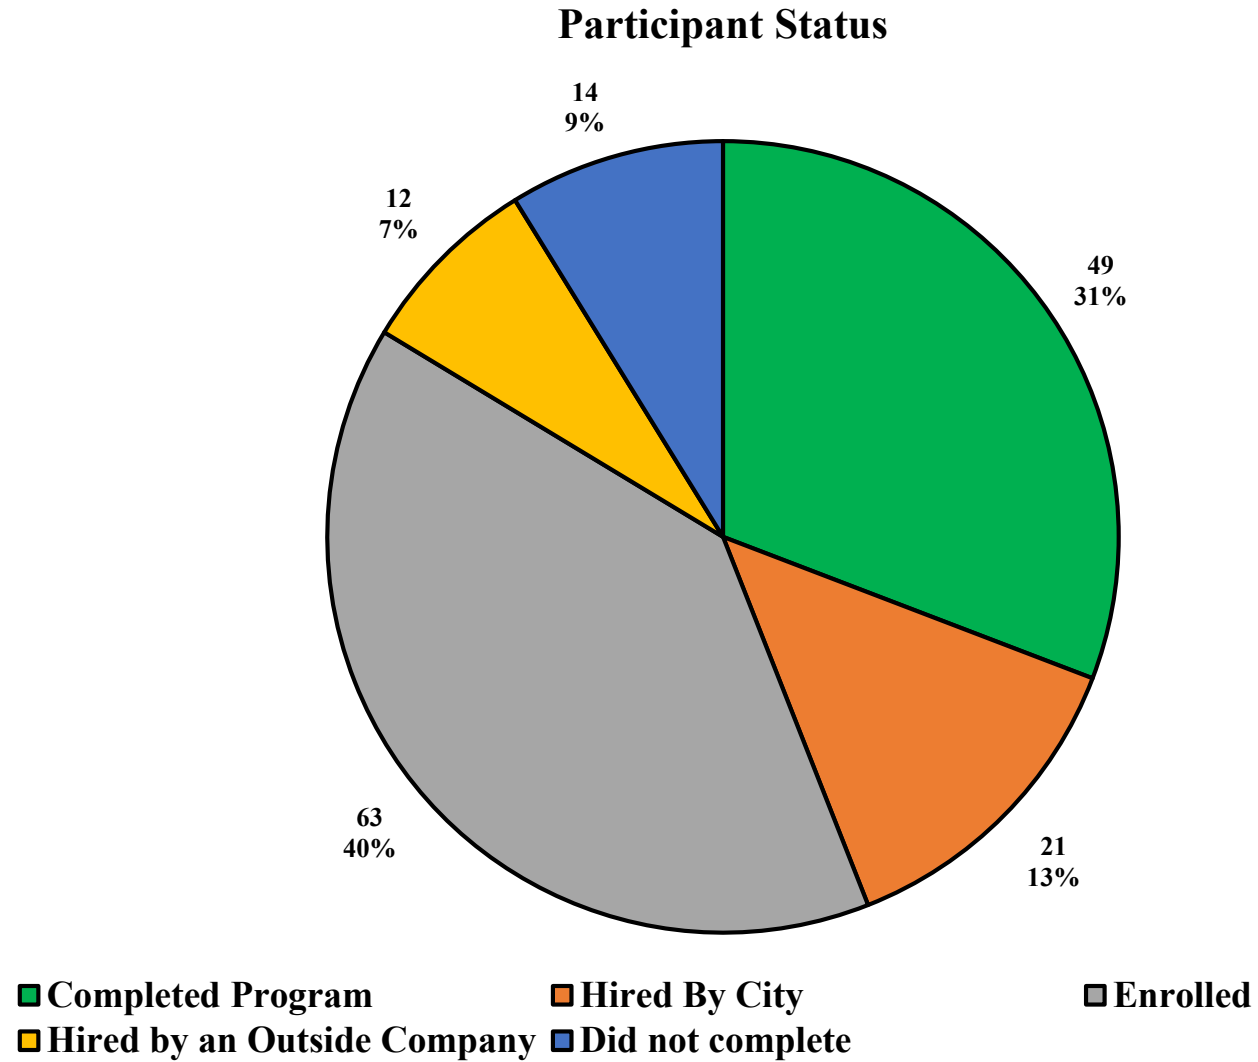

SOAR Analysis for Increase of Participants

Cost of stipends for 8 or 16 SOAR participants
(assumes \$14.31 min wage)

*This is only the cost of participant stipends. It does not include the cost of staff time for administration of the program, supplies, training, etc.

SOAR Participant Status

Blue Bag Program

How the program works:

- Participants form a litter abatement workgroup
- Work up to (4) days a week to abate litter
- Use existing routes and use blue trash bags
- Existing staff will drive crews to location(s)
- Data is entered into work order system to provide report
- May 2020 kickoff – completed end of 2021

Blue Bag Program

- Daily field inspections by SOAR supervisors & Operations dept. staff
- Documentation Archived
 - 57 bags of litter per week for a total of 1,480 blue bags.
