Dear City Council Members,

My name is Laura Gonzalez, I am writing to express my strong support for Martin Mariche Garcia, Martha Beatriz Ayala, and Shannon Amanda Tinsley for their petition at 1200 E Clemmons Rd.

I believe this business is an excellent addition to our community. I believe this business will bring numerous benefits, including contributing to the city's tax revenue, and enhancing the local economy. As a mother of three young children, I am excited to have a restaurant a block away that I can walk to for dinner on the long days I cannot get around to cooking dinner.

In addition, I love the business, and I know they have a strong commitment to progress with their business. They are all very responsible individuals, and I have never had any issues with them. They are always very welcoming and never cause any disturbance.

Thank you for your time and consideration. I encourage you to support these individuals and their positive impact on Winston Salem. If you have any questions or need further information, please feel free to contact me at (336)528-8313 or 67 Cottage Street, Winston Salem, NC 27107.
