Hi Nick,

As a follow up on my community outreach for 2572 S. Stratford Road - please see below for a list of my activities. Additionally, please find attached email exchanges that I received from the community, as well as from councilman Kevin Mundy.

- Printed out flyers with a notice of our request to change zoning status (Flyer sample is attached)
- Went door to door with flyers within an approximate 0.5 - 1 mile radius from the subject property passing out flyers to both residential homes and businesses (Attached is an email exchange with one of the residents that reached back out to me with questions)
- I personally spoke with many of the surrounding business owners about our zoning request (NOTE: None of them had any verbal opposition to the change at the time of my visit to their locations)
- Exchanged emails with councilman Kevin Mundy (Email exchange is attached)

Please let me know if you have any additional questions, or if there is anything else that I need to do at this time.

Thank you,

DAVID M. FOSTER
