Presentation - Dockless Bicycle and Scooter Share Programs

**Strategic Focus Area:** Quality Transportation

**Strategic Objective:** Improve Integrated Road Network

**Strategic Plan Action Item:** No

**Key Work Item:** No

The Department of Transportation staff presented information on dockless bicycle and scooter share programs to the Public Works Committee at the September 2018 meeting. Staff was asked to bring additional information on potential policy changes to consider on the management of these programs. One dockless company has had a presence in Winston-Salem since August 2018. Staff will share information on observations and information on policies adopted by other municipalities where these dockless system are available.
