#### **MAYOR/COUNCIL COMMENTS**

Mayor Joines recognized Council Member Hall, who requested to make a comment.

Council Member Hall addressed a recent article in the Winston-Salem Journal published on August 14, 2025, which quoted her as expressing concern that affordable housing might “get lost in the sauce” during discussions about the proposed amphitheater project. She clarified that her comments were specifically about ensuring Crystal Towers residents were informed early about the development and had access to any potential job or engagement opportunities. She noted that while she did use the phrase “lost in the sauce,” it referred to inclusion and communication with residents, not affordable housing in general. She emphasized the importance of outreach, even in privately funded developments.
