FREE RESPONSE APPLICATION

1. As a college student, what three issues concern you most in Winston-Salem, and why?

1. Transportation to venues and businesses that are off campus, mainly for freshman students.
 2. Events that unite University campuses in the city of Winston-Salem.
 3. Decisions made on funding for universities in the city of Winston-Salem.

2. Explain a time when your college/university collaborated with the local community and how this experience benefited both students and the public.

Every two years Winston-Salem State University and the city of Winston-Salem team up to host the National Black Theater Festival. This partnership allows the university and the local community to bring the arts to Winston-Salem and enrich the artistic culture in the community.

3. What change/effect do you plan to have on the local community before you graduate?

I hope to aid the local community by contributing the talents and knowledge that I have received from the WSSU education department to implement positive and effective change in the Winston-Salem Forsyth County School System. I plan to do this by beginning a summer program known as Freedom Schools here in Winston-Salem that will work in conjunction with the WSFCS system.
