Applying for Board/Commission (Enter One):	Commission
What Board or Commission are you currently serving?	N/A
Why are you interested in serving on that Board/Commission?	As a resident of the Winston-Salem community, I am interested in bridging the gap between college/universities and the community. As a administrative member of the Department of Athletics for Wake Forest University, I look to understand our community more and how our institution and surrounding colleges/universities and not just serve those around us but our entire community. I have a passion for the tourism/parks and recreations aspect as I have been in athletics 9 years now. I look to join the board/commission as a way to gain new skills, share diverse viewpoints, and to overall "step out" of my everyday comfort zone. Serving will help me make a significant and meaningful impact to my institution and community.
