Resolution Authorizing Recapture and Reallocation of Certain CARES Act Funds

Strategic Focus Area: Livable Neighborhoods

Strategic Objective: No

Strategic Plan Action Item: No

Key Work Item: No

Summary of Information:

Since the start of the COVID-19 pandemic the City of Winston-Salem has been awarded allocations through the Coronavirus Aid, Relief and Economic Security Act (CARES Act) of \$2,676,693 in Community Development Block Grant (CDBG-CV) funds and \$2,708,005 in Emergency Solutions Grant (ESG-CV) funds to prevent, prepare for, and respond to coronavirus. In addition, the City was awarded \$1,792,116 in ESG-CV funds by the North Carolina Department of Health and Human Services (NC ESG-CV). The City awarded these funds to non-profit agencies, including United Way of Forsyth County. The ESG-CV funds have tight expenditure deadlines. The City has met the deadline to expend 20% of ESG-CV funds by September 30, 2021. The remaining deadlines are to expend 80% of funds by March 31, 2022 and 100% of funds by September 30, 2022.

As part of the Community Development Department’s tracking and monitoring process and to improve the expenditure rate, staff determined that United Way of Forsyth County may not be able to spend all of the funds awarded to them in a timely manner and that recapturing and reallocating funds is necessary to support continuing work responding to the pandemic. A resolution, an Exhibit A and Exhibit B containing the proposed recapture and reallocation of funds, and project budget ordinance are presented.
