TO WHOM IT MAY CONCERN,

On behalf of the Cottage Hill HOA, we are requesting street lights for Gibb Street and Cottage Hill Lane as shown on the Duke Energy layout of the subdivision, consisting of Traditional LED lighting. We understand that the decorative adder charges are additional and they will be paid by the Developer and/or HOA.

We understand a contract for the lighting network will be presented to the City Council for approval. This Contract shall be for the electrical service cost difference and administrative charges.

Please prepare the necessary paperwork required to proceed with this request as soon as possible. Thank you for your assistance.

Sincerely,

Justin G. Mendenhall
