

DENIAL
STATEMENT OF CONSISTENCY WITH COMPREHENSIVE PLAN W-3656
(JEMSITE DEVELOPMENT, LLC)

The proposed site plan amendment is generally inconsistent with the recommendations of *Forward 2045* and the *North Suburban Area Plan Update (2014)* for ensuring that development does not negatively impact surrounding development. Therefore, denial of the request is reasonable and in the public interest because the request would generate a substantial amount of traffic.
