Sandie-

Zoning case W-3464 will need to be continued to the May 17th City Council meeting. In the process of working with the applicant to revise their site plan, the original requested zoning district of GB-S Two-Phase has changed to GB-S. Since the request was advertised as Two-Phase, the item needs to be continued to allow for a revised legal ad to be published. If you have any questions, please let me know.

Thanks,
AK
