STATEMENT OF CONSISTENCY WITH COMPREHENSIVE PLAN  
UDO TEXT AMENDMENT 287  
AMENDING CHAPTERS A AND B TO ADD A NEW USE  
“GROUP CARE FACILITY (THERAPEUTIC COMMUNITY)”

The proposed UDO Text Amendment 287 (“Text Amendment”) amending Chapters A and B to add a new use “Group Care Facility (Therapeutic Community)” is consistent with recommendations of the *Legacy Comprehensive Plan* to strengthen the community’s capacity to support and implement health-related policies and programs and to improve the community’s infrastructure and resources to maximize opportunities for all residents to make healthful choices and positively affect community equity, and approval of the Text Amendment is reasonable and in the public interest because said Text Amendment, if approved, will, (i) require Special Use District Rezoning in addition to meeting all other State licensing requirements; and (ii) any future “Group care facility C” will meet a high standard of site development and operation while providing a needed community service.
