Dear Sir,

I am writing about the Meeting Notice for the City-County Planning Board, *Zoning Docket W-3586* on Thursday, July 13, 2023 at 4:30 pm.

We live within 500 feet of the proposed zoning request at Brent St and Academy St. and we say “NO to rezoning”. We do not think that this would be in the best interest of our neighborhood.

Thank you,
