

APPROVAL
STATEMENT OF CONSISTENCY WITH COMPREHENSIVE PLAN W-3518
(CITY OF WINSTON-SALEM)

The proposed zoning map amendment from County RS9 to City RS9 is generally consistent with the *Legacy Comprehensive Plan's* recommendation to encourage development that is compatible with the surrounding area; therefore, approval of the request is reasonable and in the public interest because:

1. The proposal will reclassify the newly incorporated property from its Forsyth County zoning classification to the equivalent City of Winston-Salem zoning classification.
