Subject: W-3533 - City of Winston-Salem Rezoning Request from RSQ to IP-L
Date: Monday, September 26, 2022 11:37:51 AM

Sandra:

Based on the discussions concerning the disposition of the vacant parcel near Diggs, CM Scippio is wanting to push the item for the 2 parcels with the shotgun houses on Humphrey Street to a later City Council/Committee cycle. As a result, we also need to continue the associated rezoning (W-3533) to November 1, 2022.
