Summary of Information:

The City’s Internal M/WBE Committee met to identify subcontracting opportunities for the Lakeview Bridge No. 330236 Project. After reviewing the scope of work, identifying the relative availability of M/WBE firms, and discussing the project specifications, it was determined that the subcontracting opportunities are nominal.

Based on the cost estimate being comprised of mostly materials, a minimal amount of potential subcontracting opportunities exists for MWBEs.

It is the recommendation of the City’s Internal M/WBE Committee that the M/WBE participation goals be set at 1% MBE and 1% WBE.
