Summary of Information

Effective July 1, 2026, the North Carolina General Assembly passed the state budget which eliminated the Office for Historically Underutilized Businesses (HUB). This same legislation eliminated any provisions related to Minority/Women Owned Business Enterprises (M/WBE) and any considerations or references of the same. These provisions were replaced with Small Business Enterprise language. We have made these same adjustments in the ordinance to amend the M/WBE references and change them to the Small Business Enterprise language so that we are in compliance with State law.
