Subject: We support the rezoning

Dear Gary and others this may concern,

We own a home in the townhouse community on 7th and Chestnut. I live at [738 N. Chestnut St.](#) and we are unable to make the rezoning meeting [tomorrow evening](#). We are happy and embrace any and all residential and all other projects that bring more residents and businesses to downtown and would support the rezoning.

As a resident in the Goler Townhomes Community I have my own parking on private property and would not be effected by the rezoning of the property. Myself and David Bower approve of the rezoning as it will bring more people downtown.

If you have any questions please feel free to contact me via email at this address or by phone at [702-469-0028](tel:702-469-0028).

Best —
