

DENIAL
CONSISTENCY WITH COMPREHENSIVE PLAN
W-3328
(LINDA FRAZIER)

Although the proposed zoning map amendment from LO (Limited Office) to LB-L (Limited Business - Special Use Limited) is generally consistent with the *Legacy Comprehensive Plan* and the *West Suburban Area Plan*, denial of the request is reasonable and in the public interest because the request does not include a site plan which would depict how the site would be used and there is no trip generation information available from the existing or proposed zonings.
