Date: May 26, 2017

To: The City Manager

From: Gregory M. Turner, Assistant City Manager

Council Action Requested:

Consideration of a resolution authorizing the granting of easements to Gregory and Claudine Meyer – (East Ward).

Summary of Information:

The City of Winston-Salem has received a request for an easement along North Liberty Street. Gregory and Claudine Meyer are the owners of 414 North Liberty Street. The building was constructed in 1913 and like many downtown buildings, there are encroachments into the public right-of-way. A recent survey of the property has revealed that the basement of the building extends into the public right-of-way of N. Liberty Street. The encroachment extends under the sidewalk.

Staff has reviewed this request and are recommending approval of these easements.
