# MISSION

The **Winston-Salem Police Foundation** is a non-profit, 501(c)(3), independent organization dedicated to enhancing the capacity of the Winston-Salem police to be more effective in improving public safety.

Working closely with the **Chief of Police**, we assist in carrying out a strategic program agenda by generating the financial resources to provide necessary tools, training, technology, equipment and community outreach initiatives that might otherwise go unfunded through traditional funding sources.

# BENEFITS

The **Winston-Salem Police Foundation** provides funding for training and skill development to strengthen community collaboration and expand partnerships between the community and its police officers.

We support officer training enhancement and supplemental equipment to improve the effectiveness of officers.

We enable the police department to qualify and apply for grant funding available exclusively for 501(c)(3) organizations.

We allow for tax-deductible gifts from individuals, businesses and philanthropic organizations.

We replicate a public-private partnership model that has proven to be highly effective in the prevention and reduction of crime in other major cities.

We are the only organization authorized to raise funds on behalf of the Winston-Salem Police Department.

# GOALS

The goal of the **Winston-Salem Police Foundation** is to provide the critical resources needed to enable the Police Department to implement innovative programs that will make Winston-Salem a safer place to live, work and enjoy life.

Specifically, we provide funding to strengthen community and police partnerships such as:

- Police Athletic League
- Mentoring Programs
- Community Events
- Promote Public Safety
- Encourage Innovative Approaches to Community Policing
- Promote Officer Safety, Wellness and Morale
- Recognize and honor exceptional police work, valor and outstanding achievements
