RE: City Council Meeting, October 2, 2017 - Zoning Docket W-3343

Dear Ms. Johnson:

The petitioner of Zoning Docket W-3343 cordially requests a continuance of one month from the October 2, 2017 City Council meeting to the November 6, 2017 meeting. The continuance will provide additional time to work with the neighbors and City departments to help address the stormwater concerns of the neighbors raised in the Planning Board meeting.

Sincerely,

A handwritten signature in blue ink that reads 'Luke A. Dickey'.
