Community Development/Housing/General Government Committee

Meeting

Historic Resources staff has reviewed the eleven properties that are scheduled to go before the Community Development/Housing/General Government Committee on August 13, 2018 for demolition consideration. Below is a list of contributing structures in National Register of Historic Places districts.

Properties located in National Register Historic Districts:

2516 Urban Street – Waughtown/Belview Historic District 2026 Cherry Street – North Cherry Street Historic District

Additionally, recent discussions at City Council and Council Committee meetings have indicated a concern for the loss of structures in historically African-American neighborhoods. These discussions are continuing, but for Council Members information, I have identified structures from the list that are in historically African-American neighborhoods as presented in the latest survey documentation, that are not currently National Register designated.

Properties located in historically African-American Neighborhoods: 3010 Glenn Ave- Bon Air Greenway 2123 Bowen Blyd - Bowen Park
