Good afternoon Bryan

I am working with Allied Land Survey on a zoning amendment for my property located at 4385 Styers Ferry Rd, WS 27104. As an outreach to the community I mailed out fourteen (14) letters to my neighbors on January 21, 2019 informing them of my request. I heard back from two(2) neighbors. The first thanked me for informing them and wished us well in our efforts. The second didn't quite understand the purpose of the letter but once I explained it also thanked me for the information. Please advise if this meets my requirements for community outreach. Thank you
